

SHEDDING LANE BATTLER · 2-4 PLAYERS · 15-20 MINUTES

OUTDIG THE CAMP NEXT DOOR. POACH THE BONES YOU NEED.

A shedding game fought over lanes. Everyone races to empty their hand, but when someone does, only the dig sites you hold score. Take a site by playing a better run or set than the one on it, from cards sitting side by side in a hand you can never rearrange. Missing a bone? Poach it off a rival's find.

BEAT THE FIND

More cards always wins. Same count? A suited run, all from one skeleton, beats a set, and a set beats a run.

OR POACH

Take an end bone off a rival's find and slide it anywhere into your hand. Then send them a card back. They keep it, or it's out for the season.

GO OUT

Play your last card and the season ends on the spot. Every site you hold scores: 1 prestige, then 2, then 4 in the last season.

2–4 players

15–20 min three quick seasons

45 cards and four site boards, small box
