

Nine cards, one skeleton

Five species to dig up

On your turn, do one

1 Excavate
Play a run or set of cards that sit side by side in your hand. Beat the find on a site and it's yours.

2 Or poach
Take an end card off a rival's find. Send them one of yours.

3 Go out
Empty your hand to end the season. Sites score 1, then 2, then 4.

DIGGERS

Shedding · Lane Battler · 2-4 Players

WIN THE SHARED DIG SITES WITH A HAND YOU CAN'T SORT.

Empty your hand to end the season, but only the dig sites you hold at that point score. Take a site by beating its find with a better run or set.

For fans of Scout *and* Schotten Totten.

A two-player season: three dig sites between the camps. They hold two, you hold one.

Going out

When anyone empties their hand, the season ends and every player scores the sites they hold.

Poaching is a trade

Take the end card of a rival's find, then give them a card from your hand.

Advanced sites

Flip the six site cards and each has its own rule: low totals win, ties steal, poaching is free.

2–4 players

15–20 minutes, three seasons

45 cards, 6 sites, tuck box

Available now: rules, a print-and-play kit and a playable version with bots and online tables.
