

DIGGERS

Shedding lane battler · 2-4 players · 15-20 min

OUTDIG THE CAMP NEXT DOOR. POACH THE BONES YOU NEED.

Race to empty your hand, but when anyone goes out, only the dig sites you hold score. Take a site with a better run or set, played from a hand you can never rearrange.

For fans of Scout *and* Schotten Totten.

Three dig sites, each find on its owner's side of the board.

On your turn, do one

1. **Excavate**
   Play a run or set of cards that sit side by side in your hand. Beat the find on a site and it's yours.
2. **Or poach**
   Take an end card off a rival's find. Send them one of yours.
3. **Go out**
   Empty your hand to end the season. Sites score 1, then 2, then 4.

Lanes for up to four

A site between every pair of neighbors, so it plays as a duel or a four-way ring.

A race with teeth

Going out ends the season for everyone, locking in the sites you hold.

The theme scores

Every card is a bone. A run from one skeleton outranks a set its size.
